

Introducing Mamete Prevostini wines...

At the end of 2021 Dom started working on importing a very special wine that is close to his & Ben's hearts as this wine is produced less than an hour's drive from where their Nonno was born; the area of Valtellina, north of Lake Como. This small valley area bordering Switzerland is a world heritage site famous for hosting skiing & most importantly, Nebbiolo.

The wine maker, Mamete Prevostini stopped sending wine to the UK roughly 4 years ago, but after some passionate negotiating and the use of Raj Soni's wonderful reputation we have managed to add this to our wine lists. We are proud to say we have this small collection of award-winning Nebbiolo exclusively outside of London.
